

**Kettleburgh Parish Meeting**  
**Wednesday 29<sup>th</sup> May 2024 at 7.0pm**

**Report from the East Suffolk Gun Club Ltd**

Good evening everyone and thank you for your invitation to come along :-

The ESGC operates from the Old Gravel Pit in Low Road Brandeston just beyond the Chequers Public House and is used with the kind permission of the Trustees of the late Vera Pulham. The club is more commonly known as the Kettleburgh Gun Club and was formed over 60 years ago.

As a brief overview, ESGCLtd is a 'members club' limited by guarantee without a share capital. The Club is controlled by a committee of its members, elected annually by its membership. Its revenue consists of annual subscriptions and weekly fees derived from entry into weekly competitions.

The club has 140 members with some of us having been members for over 50 years. We meet on Monday evenings from April until early September when light begins to fail. As some may be aware we don't shoot on Bank holiday Mondays but the following Tuesday - members are conscious of the fact that we are not 'good' neighbours.

Where possible, the membership is keen to foster a good relationship with the local community and would welcome details of local causes or organizations that the gun club may be able to support. The Chequers PH kindly hosted our AGM this year and we are keen to repeat this in the future.

Should members of your Parish Council or indeed residents wish to pop along one Monday evening then please get in touch when I will be happy to arrange for a cup of tea and show you round.

Thanks very much for your time.
