

Report from:-

Kettleburgh Chequer Cribbage Team

After a very slow start to the season we ended up ninth in the league out of thirteen (after all it is the taking part and not the winning that's important). We did have some success in that we won the Plate final, Archie McMillan Cup and not least one of our players "Linda Sims" won a very prestigious trophy which has only been presented four times since I have been involved in the league (30 years+) this is for a hand of 29 points those of you who have played Cribbage know this is a very rare occurrence indeed.

We thank the Chequers for hosting our matches and possibly we may run two teams next season anybody who would like to join us are most welcome.
