Dear Jamie,

**DC/24/1837/FUL.**

Conversion of two redundant silos to create a two-bedroom dwelling  
Rookery Farm, Framlingham Road, Kettleburgh, Suffolk

I write for and on behalf of Kettleburgh Parish Council.

The Council considered the above planning application at its meeting on 18/06/2024 and resolved that it had **no objection**, but expressed the following concerns:

- there had been no communication from the applicant prior to the consultation
- proposal was outside the Village Settlement Area
- it had potential to become a cluster of housing and creeping development.

Yours sincerely
