4th September 2024

Dear Jamie,

Planning Reference: DC/24/2701/FUL

Proposal: A replacement 5-bedroom home (Self Build)

Site Address: Manly, Easton Road, Kettleburgh, Woodbridge, Suffolk IP13

I write for and on behalf of Kettleburgh Parish Council.

The Council considered the above planning application at its meeting on 2nd September 2024 and **resolved to support the application.**

Council wishes to commend the clarity of the Architectural plans; sympathetic Building Design, carefully considered sight lines, and energy efficiency of the property. Council notes the comprehensive tree survey, indicating that the natural environment of the property will be valued and appropriately managed, and expects all significant trees to be retained. The build is, importantly, supported by the neighbour, who has been properly consulted.

Yours sincerely,

[Signed electronically]

Sonia Frost
