

**Nature-friendly neighbourhood**

# Help a Hedgehog

Learn more about this rapidly declining species and what households, building developers and farmers can do to help hedgehog populations and maintain biodiversity in our communities. Also, find out what you should and shouldn't do if you meet a sick or injured hedgehog or experience a day-time sighting.

**Come and hear**

**Bryony Farmer, local hedgehog specialist,  
at Campsea Ashe Village Hall (opposite the railway station)  
on Saturday 18th November 2023 at 4 pm.**

Refreshments, including hot dogs and vegetarian alternatives will be available to purchase after the talk, and hedgehog-related craft activities will be available for young children. This is a free event but donations will be welcomed to help meet costs and fund a hedgehog charity. To help us avoid food waste, please email [wildaboutcampsea123@gmail.com](mailto:wildaboutcampsea123@gmail.com) or text **07976 047164** if you intend to come and would like a hot dog.

Free parking is available at the village hall, at the railway station and opposite the church. Please consider car-sharing or take the train to Wickham Market railway station which is opposite the village hall in Campsea Ashe.
